Re: Patent Statement

Motorola Mobility, Inc. has filed a patent application, "Mechanism for Session Sharing and Transfer in RTSP Based Streaming Systems", which may be required to implement in internet draft (I-D) referenced by Filename: draft-avasarala-mmusic-rtsp-modify-00.txt

This draft is intended to be a work item of the MMUSIC working group of the IETF and is designated as:

Title: RTSP MODIFY Method
Author(s): Ranjit Avasarala, et al.
Filename: draft-avasarala-mmusic-rtsp-modify-00.txt
Pages: 16
Date: September 1, 2010

This is to confirm that Motorola Mobility, Inc. on behalf of General Instrument, a wholly-owned subsidiary of Motorola, is willing to license any essential ("necessary") patent claims, including claims in the aforementioned patent(s), to all implementers, with compensation under reasonable and non-discriminatory terms and conditions, for the purpose of implementing the IETF MMUSIC standard.

If you have any questions regarding this matter, please contact Ray Warren, Senior Licensing Counsel, by email at Ray.Warren@motorola.com or by telephone at 847-523-0668.

Sincerely,
